A Message From our President and Director

On behalf of Mission Vietnam, we thank all of you for making 2008 a great year. When under Dave Roever's direction we first started our ministry 15 years ago, God lead us to believe "compassion leads to conversion." For many years in Vietnam we were only allowed to show God's love through compassion. God is opening new doors and the government is changing. We are now trusted to share God's saving message through conversion. This year we were able to build a church and sponsor youth crusades enabling thousands to accept Jesus Christ as their Lord and Savior. We provided education and care for several children at our Christian orphanage.

In addition ministries of compassion continued. Your contributions provided sight-saving surgery for hundreds of children blinded by cataracts. You provided humanitarian relief for flood and typhoon victims, and bicycles for children to name a few.

But God is not through. We look forward to next year with great anticipation. We will continue to show God's love through works of compassion. As the government allows more Christian freedom, the needs, and especially the evangelical needs, grow.

REAP International would like to thank each one of you who have supported this ministry. Every financial gift you give brings hope to the lives of the people of Vietnam.

“Your faithfulness and hard earned contributions are not taken lightly, especially in these times of economic uncertainty. Thank you!”

Right now we could legally build as many as 200 churches, hold more Easter and Christmas crusades, and add more students to our Christian orphanage.

Yes, compassion has led to conversion in Vietnam. Harvest time has come. Many Old Testament prophets (Zach 10:1, Joel 2:27, Deut 11:13-14) spoke of a latter rain, a harvest rain. Harvest time has come to Vietnam. Please join us in 2009—it's beginning to rain!

Your faithfulness and hard earned contributions are not taken lightly, especially in these times of economic uncertainty. Thank you. On behalf of our board and under God's grace and oversight, I promise that your gifts to Vietnam will be used with integrity. Each dollar donated will be used on the ground in Vietnam. All overhead costs are provided by our board. Please continue to join us in 2009. **YOU ARE MISSION VIETNAM!**

Drs. Anh and Ngoc are our In-country Directors and a wonderful Christian couple with a passion and an anointing from God to reach their people for Jesus Christ. Both are medical doctors—Dr. Anh is a Pediatrician and Dr. Ngoc is a General Practitioner—and have used their abilities to relieve suffering among the poorest people of Vietnam as well as working to promote and facilitate the Christian ministry of Mission Vietnam/REAP International.

Be sure to pray for Dr. Anh and Dr. Ngoc, their work, and their family.

REAP International's Greg Bostock, of "Blastoff Music" preparing to lead worship at December's crusade in Vietnam.

Christmas Crusade was a great success!

In two nights over 20,000 people gathered in a soccer stadium in the largest city in Vietnam—Saigon. Greg Bostock reports that he was invited to sing *O Holy Night* and a song of his own, *"Light of the World."* Greg writes, "As I was singing *Light of the World*, over 5000 cell phones were waving like candles. It was breathtaking!" Over 1390 souls made a decision for Jesus in those two nights, seeds were planted in over 20 thousand and who knows how many heard the message blocks away. Greg tells us that it started to rain softly before the altar service, but then stopped. One Vietnamese man commented, "I think God was crying from all the souls coming to Him."
